About Camp Hope

Located in North Scituate, RI, Camp Hope is dedicated to letting kids with cancer just be kids, and not be defined by disease. The camp houses more than 100 kids ages 7-17 free of charge, thanks to donors like you. Crafts, fishing, canoeing, dance parties, and campfires fill the week with fun and memories. Meeting other children with similar experiences helps return an important sense of normalcy to their lives. Every $100 funds a day at camp for one child.

- Thank you for helping us brighten the lives of these kids!
